## President's Report

August 2008

### **Welcome to a great chapter year!**

We are off to a great start. These past few months have been hectic and also rewarding for both the chapter and members alike.

Our chapter was named, the "STARS", "Mid Sized Chapter of the Year" at the 2008 PDC in Las Vegas, Nevada. Many of our members were present for the presentation. Our Past President Maribeth A. Anderson received the award in our name and she was the one who worked so hard and diligently on the "STARS" project. Other members in the news include Linda Rhodes, Rich Moscato and Neil Silins to name a few. More about their accomplishments will follow in the September Newsletter.

Come out and join us on September 9th, 2008. There will be our usual informative program, professional support and some of the finest networking in the profession. Diane Turek and Nancy Hauter will provide us with OSHA Updates as well as the latest word on Silica. Jim Weaver our Region 5 Vice President will also be in attendance.

We will also be honoring Maribeth A. Anderson as our "Chapter Safety Professional of the Year."

One last reminder, register now for the "20th Annual Chicagoland Safety Conference", September 15th - 18th, 2008. Register at [www.chisafetyconf.org](http://www.chisafetyconf.org).

Stay Safe and see you soon,

Al Borzych  
Chapter President
